

WISDOM OF THE CELTIC TRADITION

Key Principles, Mentors & References for BECOMING ANAMCARA

ORIGINAL BLESSING OF HUMAN NATURE

The ancients Celts, seeing the sacred in all things, believed that humans are born in the image and likeness of the Divine, and so in essence become the presence of divinity in the world. The theology of Celtic Spirituality is unique in that it bridges ancient, indigenous wisdom with the non-dual teachings of Western religion. BECOMING ANAMCARA mentor and Celtic Monk Dara Molloy echoes the teaching of Matthew Fox, that the Celtic view of human nature emphasized creation as original blessing in contrast to some European perspectives on original sin.
